

The mission of the Studio Theatre Worcester is to engage with and inspire the Worcester community by producing high-quality theatrical works, cultivating new plays and musicals, and providing arts education programs to develop the future theatre artists, designers, technicians, and administrators of tomorrow.

Our performances attract audiences of up to 800 individuals from communities throughout Central Massachusetts. Your program advertisement will not only reach potential clients, but also ensure our continued efforts to provide a professional, entertainment venue for the greater Worcester County.

Your support will make a difference!

Please indicate your level of support below.
